

# PROTECT YOUR ENGINE FROM DAMAGE BY THE DIESEL BUG

Tankbusters quick and efficient cleaning system is specifically designed to clean your tank with virtually **ALL** fuel being returned back into your tank **minus the Diesel Bug, Water, Contamination, Rust and Leaves.**

We can filter to below 3 microns and remove water to below 100 parts per million. That's far better than some of our competitors!

**IDEAL FOR BOATING, AGRICULTURAL MACHINERY, HEAVY PLANT EQUIPMENT AND HOUSEHOLD TANKS**
